**Description:**

Please note the solicitation is not ready to be issued as of this date. The requirement is for the installation of a photovoltaic (PV) system of 16.640 kilowatt AC inverter on the roof of the workshop. Details of the scope of work shall be described in the actual RFQ.

All responsible sources may submit an offer, which will be considered.

The Government plans to issue the solicitation on the U.S. Embassy Ottawa website during the month of May 2016. Please see the RFQ for the actual response date.

No electronic offers or proposals will be accepted.

**Place of Contract Performance:** Ottawa, Ontario, Canada

**Note:** For this procurement action, prospective offerors must be registered within the Central Contractor Registration (CCR) which is now under System for Award Management (SAM) in order to receive an award. Refer to the following link for details on the registration process: <http://www.sam.gov>

**Timeline:** This pre-solicitation notice will be posted for 10 days.
