### **List of Attorneys in Alberta, Saskatchewan, Manitoba, and the Northwest Territories**

(May 2016)

The Calgary consular district covers Alberta, Saskatchewan, Manitoba, and the Northwest Territories.

**DISCLAIMER:** The U.S. Consulate Calgary, Canada assumes no responsibility or liability for the professional ability or reputation of, or the quality of services provided by, the following persons or firms. Inclusion on this list is in no way an endorsement by the Department of State or the U.S. Embassy/Consulate. Names are listed alphabetically, and the order in which they appear has no other significance. The information in the list on professional credentials, areas of expertise and language ability are provided directly by the lawyers; the Consulate is not in a position to vouch for such information. You may receive additional information about the individuals on the list by contacting the local bar association (or its equivalent) or the local licensing authorities.

Most of the law firms listed practice general law and handle collections. Most firms also have a Notary Public. Each attorney must be a member of the Law Society in the province where he/she is practicing. Membership in the Canadian Bar Association is not mandatory although many are members. There are no set fee schedules but each society does publish guidelines, which are available to the public; however, it is not mandatory for an attorney to follow these guidelines.

The initials "Q.C." following an attorney's name indicate that he/she has been given honorary recognition as a member of the Queen's Counsel. This is in most cases granted by the Provincial Government only to attorneys with over ten year's active practice.

All attorneys licensed to practice in Alberta are also Notaries Public.

## **THE OMBUDSMAN:**

Each province has a provincial Ombudsman who investigates complaints made by individuals concerning administrative decisions and acts of provincial government officials and agencies. Complaints to the Ombudsman must be in writing. An investigation is carried out privately and the complainant is informed of the results. The Ombudsman does not handle matters dealing with trial, conviction, and length of sentence, which must be dealt with through the courts by established appeal procedures.

Addresses of the Provincial Ombudsman are as follows:
