

Department of State Foreign National Student Intern Program

Political and Economic Section – Political, Economic and Commercial Analyst Internships (unpaid)

Application Closing Date:

- November 6, 2020 for internships during summer 2021 (May to August) and fall 2021 (September to December).

The United States Consulate General in Montreal is offering **two** internships for students in the Political and Economic Section **to support the Political/Economic and Foreign Commercial Services teams in analyzing Quebec political, economic and commercial issues**. This is an **unpaid internship** for a minimum of 10 weeks in length. Weekly work schedules are flexible, but a minimum of 20 hours a week is required. Full time, 35 hours a week, is preferable. Preference is given to the students who obtain credits for the internship.

Duties of the position:

- Provides research and analysis on **U.S.-Canada issues and Quebec political and economic developments**, with an emphasis on the Montreal region. Drafts reports and briefing memos for officials in the Consulate, Embassy and Washington on topics of interest and based on a reporting plan;
- Helps draft remarks and provides logistical support for consulate events and official visits.
- Other duties as assigned by the Political/Economic Specialist.
- Conducting trade-related market research and preparing reports for U.S. companies;
- Drafting replies to trade inquiries;
- Promoting and recruiting exhibitors or delegations for trade events;
- Making business appointments for U.S. companies seeking strategic alliances in Canada;
- Other duties as assigned by the Commercial Officer or Specialists.

Qualifications Required:

Studies: Political Science, economics, communication, journalism, business, international affairs, social sciences, humanities, or related areas. Studies in other fields will also be considered on a case by case basis.

Experience: Applicants must demonstrate potential to accomplish the type of work to be performed through concrete examples from academic and professional experiences.

Knowledge: Applicants must possess good knowledge of **provincial and local history, politics, the bilateral trade relationship, and issues and their impact on policymaking between the United States and Canada.**

Language: Level IV (fluent) speaking/writing/reading **English and French** is required.

Skills/Abilities: Research skills; written and verbal communication skills; organizational skills; interpersonal skills; ability to work as part of a team as well as independently; computer skills; good judgment and problem-solving skills; initiative; flexibility and a sense of humor.

Additional Selection Criteria:

- Applicant must be at least 18 years of age at the time of the appointment;
- Applicant must be in good academic standing at the current educational institute and;
- Applicant must also pass a medical exam and a U.S. non-sensitive security clearance and possess their own medical insurance;
- Non-Canadian or permanent residents must possess a valid working permit at the time of their application.
- American citizens are not eligible to apply for this internship. American students who are interested in internships should apply to the program found at <http://canada.usembassy.gov/about-us/human-resources/internships.html>

To Apply:

- Completed [Application Form](#);
- [Statement of Interest](#) outlining objectives/motivations seeking an internship. The statement must address with concrete examples the qualification requirements and **must address the candidate's knowledge of Quebec and U.S. ties**;
- One letter of recommendation from the educational institution supporting participation in the internship program;
- If non-Canadian, copies of valid work permit or other valid document issued by Citizenship and Immigration Canada, which provides proof of legal status in Canada to undertake an unpaid internship.
