The Contractor must work with a local moving contractor to move current furnishings and store until office space has been completed and furniture returned or disposed. Remove all spoiled materials from the work site daily. Keep the work site neat and clean throughout the construction process. The Contractor will work with building management company to coordinate all elements of the project and coordinating the use of elevator access. Upon receiving the ‘Notice to Proceed’ letter, the contractor can proceed with the work. All existing areas surrounding the site will be protected from damage and dirt throughout the construction phase. Any damage will be restored to its original position and condition at the cost of the contractor.

The U.S. Government's Contracting Officer (CO) or the Contracting Officer's Representative (COR) shall approve, in writing, any changes to this Scope of Work.

**Personnel:**
The Contractor shall furnish sufficient personnel, certified safety equipment and the technical knowledge and experience necessary to complete the work. The Contractor shall obtain, maintain, and pay all national, provincial and local insurance, licenses, permits, fees and certifications needed/required to perform the work prior to commencement and for the duration of the work. All work shall be accomplished according to all national, provincial, and local building, fire, safety, environmental, health codes. All contractors working on site must complete
the DS-7673 Consent to Release Information form, which will be provided by the Consulate Security office.

**Performance of Work**
Work will be performed during regular business hours (e.g., Monday – Friday, 8:30 am to 4:30 pm) and all contractor personnel will be escorted by post security personnel when in the office space. No work will be performed on statutory holidays or outside of regular business hours. Work staging will need to be coordinated with post management to ensure continuity of Consulate General operations. MPR space renovations should be prioritized to create swing space to allow for other office renovations. All contractor personnel agree to follow post instructions regarding masks, vaccinations, and other COVID-19 precautions. Work is expected to commence within 15 calendar days of the notice to proceed and is expected to be completed within 180 calendar days after receiving the notice to proceed.

**Payment:**
The Contractor shall provide a fixed priced lump sum proposal in U.S. and/or CANADIAN DOLLARS to the Contracting Officer. **Please note that advance payments are not permitted and will not be granted.** The contract will be a **FIRM FIXED PRICE** contract. No additional sums will be payable on account of any escalation in the cost of materials, equipment, or labor, or because of the contractor's failure to properly estimate or accurately predict the cost or difficulty of achieving the results required by this contract. The contractor should carefully review this document including all attachments. If a requirement is in one, it is considered to be in all and shall be priced accordingly. Nor will the contract price be adjusted on account of fluctuations in the currency exchange rates. Changes in the contract duration and/or cost will be made only due to changes made by the Government in the work to be performed, or by delays caused by the Government.

Liquidated Damages: The Contracting Officer shall withhold from the final payment liquidated damages in the amount of $1000 USD per day for each day of delay beyond the project completion date.

The Contractor shall submit one copy of all payment invoices, with the appropriate backup documents to the Contracting Officer’s Representative (COR). The COR will determine if the invoice is complete and correct as submitted. The COR will also determine if billed services have been satisfactorily performed and if expenses billed are correct. If it is determined that the amount billed is incorrect, the COR will, within seven days, request that the Contractor submit a revised invoice.

The Contractor shall specifically identify its last invoice as "FINAL INVOICE." The final invoice shall include the remaining payment due under the basic contract and all modifications issued, if any.
