Quick Start Guide for New Foreign Registrations

Helpful Information

SAM is the official free, government-operated website – there is NO charge to register or maintain your entity registration record in SAM.

What is an Entity?
In SAM, your company/business/organization is referred to as an “Entity.” You register your entity to do business with the U.S. Federal government by completing the registration process in SAM.

What do I need to get started?
1. **DUNS Number:** You need a Data Universal Numbering System (DUNS) number to register your entity in SAM. DUNS numbers are unique for each physical location you want to register.
2. **NATO Commercial and Government Entity (NCAGE) Code:** Foreign entities must obtain a NCAGE code for each DUNS number they plan to register in SAM before starting the registration process.

How do I get a DUNS number?
If you do not have one, you can request a DUNS number for free to do business with the U.S. Federal government by visiting Dun & Bradstreet (D&B) at [http://fedgov.dnb.com/webform](http://fedgov.dnb.com/webform). It takes up to 5 business days to obtain an international DUNS number.

How do I get an NCAGE code?
For instructions on obtaining an NCAGE, visit: [https://reportal.nspg.nato.int/AC135Publication/CageList.aspx](https://reportal.nspg.nato.int/AC135Publication/CageList.aspx). Make sure the name and address information you provide to get your NCAGE code is the same as what you used to get your DUNS number. It takes up to 3 business days to obtain an NCAGE code.

What about a Taxpayer Identification Number (TIN)?
You only need a TIN if your entity pays U.S. taxes. If you are a foreign entity that does not pay taxes in the U.S., do not enter a number in the TIN field during registration.

Steps for Registering

1. Type [www.sam.gov](http://www.sam.gov) in your Internet browser address bar.
2. Create a SAM Individual User Account (be sure to activate the account via the link you will receive by e-mail), then Log in.
3. On the My SAM page, select Entity Registrations from the sub-navigation menu and select Register New Entity.
4. Select your type of Entity, most likely “Business or Organization.” Definitions are in the Content Glossary.
5. Tell the system why you are registering in SAM. This determines what information you have to provide.
   - *Are you interested in bidding on Federal contracts? If you select “I want to be able to bid on Federal contracts or other procurement opportunities, I also want to be able to apply for grants, loans, and other financial assistance programs,” you will complete all sections in SAM.*
   - *Are you just interested in becoming eligible to apply for grants or other Federal financial assistance? If you select “I only want to apply for Federal assistance opportunities like grants, loans, and other financial assistance programs,” you will only have to complete the grant-related information.*
6. Complete your registration. Required fields are marked with a red asterisk (*). A few helpful hints:
   - On the Business Information page, you will create a Marketing Partner Identification Number (MPIN). Write your MPIN down. It is used as a password in other government systems like Grants.gov.
   - If you do not pay U.S. taxes, do not enter a TIN or select a TIN type. Leave those fields blank.
   - Only use the NCAGE code you received with the DUNS number. Remember, the name and address information must match on the DUNS and NCAGE records.
   - On the General Information page, select Foreign Owned.
   - On the Financial Information page, you do not need to provide Electronic Funds Transfer (EFT) banking information. If you do choose to provide this electronic banking information, it must be for a U.S. bank. SAM cannot accept foreign banking information. The remittance name and address are the only mandatory sections on this page.
   - In the Points of Contact section, list the names of people in your organization who know about this registration in SAM and why you want to do business with the U.S. Federal government. These are called Points of Contact or POCs.
7. Make sure to select Submit after your final review. You will get a Congratulations message on the screen. If you do not see this message, you did not submit your registration.
   - Once approved by the IRS (if you entered a TIN) and the Commercial and Government Entity (CAGE) system, you will get an email from SAM.gov when your entity registration is active.

Please give yourself plenty of time before your contract or grant application deadline. Allow up to 10-12 business days after you submit before your registration is active in SAM, then an additional 24 hours for other systems such as Grants.gov to recognize your information.
